

Curriculum Vitae (CV)

Personal History:

1.Name of applicant: Assistant Professor : EHSSAN NISSIAF JASIM

Name of family : Al-OBAIDY

Birthday : 01-07-1970

Address :Al-Rahmaa, Baqubaa City –
Diyala Governorate , Post code: 32

2.Nationality : IRAQ

Gender:Male

3.Contact:

Mobile No.:009647701260386

Email: ehssannissiaf@gmail.com

Skype: ehssan.ehssan9

4.Degree and stage currently : Doctorate Ph.D

5.Languages: Arabic, English and a little Polish

6. Title of doctoral Thesis:

**Study of some Biochemical and Hormonal Parameters in Seminal Plasma
of Infertile Patients in Diyala Governorate/Iraq**

Academic History :

Name of Institution	Location(city, country)	Years
Higher Education/name of university and Dept.(undergraduate)	College of science, dep. chemistry Al-Mosul University-IRAQ	1989-1992 Very Good grade
Name of university and Dept Master's Course	College of science, dep. chemistry Baghdad University-IRAQ	2006-2008 Very good grade
Name of university and Dept Doctoral Course	College of Science , dep. Chemistry Tikrit University-IRAQ	2009-2013 Excellent grade
Scholarship	Biotechnology Dept POLAND -ZUT	2012-2013

Publication

1. Ehssan Alobaidy. Relationship between oxidative stress with seminal plasma Copper levels in infertile men. **DIYALA JORNAL FOR PURE SCIENCE .DJPS Vol: 8 No: 3, July 2012**
2. Ehssan Alobaidy . LABORATORY EVALATION OF IRON DEFICIENCY ANIMIA IN PREGNANT WOMEN IN DIYALA –IRAQ, **International Journal of Science and Research –India -Volume 4 Issue 3, March 2015.**

3. Ehssan Alobaidy . The Role of Dill (Anethum graveolon) on Mammary Glands Performance and Some Plasma Biochemical Parameters during Lactation Period in Rats. **(Associate of Carmean_sulaimanah University Conference)**

4. Alobaidy . Macro-elements composition in ovarian follicular fluid ,EA von Tomasz, Barbara Blaszczyk, Jan Udala , Tierarztl. Umschau 70, 162-166

5. Ehssan Alobaidy. Study Plasma homocysteine level in Alzheimer's disease and its relationship with the folic acid and Vitamin B12 in Alshamaiah Baghdad hospital.

International Journal of Science and Research –India -Volume 4 Issue 6,, June 2015.

6. Ehssan Alobaidy . Effects of Excess Vitamin B6, B12 Intake on Serum Lipid Profile and Homocysteine as marker for cardio vascular disease in rabbits. ICNS Proceeding: P-ISSN:2616-5457. e-ISSN:2520-5749

7. Ehssan Alobaidy . Relation Between INHIBIN-B hormone with Gonadal hormones in Seminal Plasma of Infertile Patients in Diyala Governorate. Iraqi Journal of Embryo and Infertility Researches Vol.(7) Special Issue (2017

Teaching experience:

Name of Institution	Location
College of .Medicine, Science , Veterinary Medicine Department Of biochemistry Physiology	IRAQ-Diyala university
Organizations you support: Edit supported organizations TSF Telecoms Sans	IRAQ-Erbil
France organizations activates in kids schools Edit supported organizations and: Leaders Training Canter-Tunis	Tunis
Training In Szczecin –POLAND Cooperation as member in Scientific conference	POLAND
Baaquba General Hospital- Labs learning Unit	IRAQ
Ministry Of Industry	IRAQ

Job experience:

Lecturer For 10 years of Chemistry , Biochemistry and Apply Clinical Chemistry for Post –Under Graduated Students (Theoretical-Practical).
 Work in Commercial laboratories of Seminal fluid analysis.
 Work in Biochemistry laboratories in Diyala University- HPLC Technic. And Spectrophotometer.
 Scientific conferences inside and outside of IRAQ
 Lectures in educational health laboratories
 Member in discussions of Master's and Ph.D- Thesis
 Activist in civil society organizations and refugees
 Assistant Prof For postgraduate students
 Issued in Different Journals in world. Native and International
 Member of Iraq Society for Emergency Medicine
 Member of Clinical Chemistry Council
 Member In Examinations for Msc and Ph.D dissuasions
 Twenty Thankful documents from Different Ministries , Foundations and Organizations.
 Scientific cooperation with International Universities in Aljnan University Lebanon, PUM in POLAND
 Lecturer in Educational Health Labs Unit – Dayal Hospital
 Member cooperator with TELECOM Organization for Refuges
 Worked for 5 year in Research Center –Ministry of Industry – IRAQ
 Experience in computer advance program
 Corporations in many Workshops (Industrial Safety , Biotechnology, ..).
 Attending for many Scientific International Conferences and Native Conferences.

Positions and positions occupied:

- 1- Commissioner of the Scientific Department
- 2- Head Of Physiology and Biochemistry Department,
- 3- Assistant Dean for Scientific Affairs and Student Affairs
- 4- Member of Scientific Commission in Mother Faculty
